Omega...
ENDING ISOLATION | ENDING LONELINESS

BACK TO SCHOOL WITH

PUPIL PALS

Welcome back to school where we can come together and create some beautiful cards or drawings to help us in the fight against loneliness.

DRAW OR CREATE SOMETHING → SEND IT TO US AT OMEGA → MAKE A LONELY PERSON SMILE

Omega is building relationships with schools and other establishments to help combat isolation. To register, please email **schools@omega.uk.net**. Once registered, you can send us batches of cards and pictures made by your pupils as often as you wish.

We will forward them to lonely people across the UK every month! So please keep sending us your incredible drawings, we can never have too many! Every school that enters receives a participatory certificate and a six monthly Pupil Pals Newsletter.
